COVID-19 EDITION

Ugh... if you're like us, we're ending our 2nd week of self-imposed exile. Luckily, I did my Costco run several weeks ago (I do the major shopping once a month) and from what I've seen on the news, I dodged a bullet. I went out once last week, back to Costco for meds and to our local grocery store for several items which I did not find. Oh my gosh... people are crazy!!

We're thankful we have HGTV, Netflix, Hulu, Disney+, Apple TV, CBS All Access, (Picard!) Amazon Prime, YouTube, HBO GO and various Podcasts to endure being quarantined. Included in this is books, cooking, cleaning the pool (because ALL of the neighbor tree leaves know exactly where our pool is) and the treadmill... well... kinda.

With both of us being retired, the house is quiet. Without kids or grandkids around, FaceTime is the communication of choice with Zoom coming around the bend. But, I must say, without all of the enjoyment that family can bring, I do love my nap time!

AOC 2020 Postponed Until 2021

I believe we are all aware that the AOC 2020 Rally in Branson, MO has been postponed. The new dates are April 18-25, 2021. If you weren't able to plan for 2020, think now about 2021. It would be great to see the Mavericks represent!

Mavericks Rally Plans

With all of us trying to stay out of harm's way, coupled with Federal and State campgrounds closing and private RV parks not taking any new reservations, I feel that we are not able to schedule a rally at this time and not until the State decides to lift

Chef à la Mac

Having been stuck at home for an ETERNITY, I've been experimenting. I made this for dinner the other night. VERY tasty! Might end up at a rally sometime. What is your favorite?

I Wonder...

What hair color do they put on the driver's licenses of bald men?

OK... I guess that's it for the current newsletter. Feedback to mavericksrvclub@gmail.com would be greatly appreciated!

the "Stay At Home" directive. I'm still getting used to this "President" thing and need direction from the membership on where we want to have our next gathering. I'll be the Wagon Master. I just need you to let me know where you want to gather. I have my favorite destinations, as I know you do. Please drop me a line at: mavericksrvclub@gmail.com to tell me where you want to go. Don't leave it up to me. I'll probably pick a spot to go and drink wine!
