Wait... What...

A Newsletter?

It's been at least 5 years since a newsletter was sent out to our club members. I may not be any good at it and I may miss a ton, but I'm going to give it a shot. I'm counting on members giving me feedback and suggestions on how to make it informative and fun. For now... here we go!

Flying Flags Rally A Success

Thank you Arnie and Emily Burr for what all attending members said was a rousing success of a rally. Having Mavericks and Alfa SeeYas members together made for a wonderful time. You can go over to our [Tumblr page](#) to check out the Rally photos and many others.

We also had a great time meeting with several "Alfa SeeYas National Board" members as well guest rigs from SoCal. I sincerely hope that they had a fun time at the park. I know that the ostrich farm was pretty cool and the Mendenhall Museum was a gas! We'd like to again thank Larry Finton for preparing that fantastic Cowboy Breakfast. Congratulations go to the participants and winners of the Halloween Pumpkin Decorating Contest.

Speaking of the Alfa SeeYas for a moment... the Alfa SeeYas nominating committee is currently in the process of seeking out members to fill upcoming National Board vacancies. If you've ever thought of a position, [hop on over to their webpage](#) and

I hope by now, all members who went to the 2020 Quartzsite RV Show have returned home with great memories and all Mavericks who are planning to attend the **2020 AOC Rally** in Branson, MO have sent in their reservations or are in the final stages. Remember, forms and fees must be received Feb. 15. If you're having any work done on your rig, that form must be in by Feb 22.

October 1, 2004

I walked in to the Stiers RV (now Camping World) showroom here in Bakersfield, flung open the doors and said, "I'm here for my mid-life crisis, sell me an RV." On October 8, we drove out with a new 31' Class C, Coachman Santara. Three motorhomes later, we find ourselves here in 2020. Having traveled around the country trying to fill in our map (still the eastern seaboard to go and 1000's of miles to catch up to the more notable members of our club) we have met and continue to meet the most wonderful people. That's why we do this RV thing. Now don't get me wrong... it's still about finding great wines to drink and BBQ to eat, but finding good friends is better. I just hope that one day I'm able to impart the knowledge and wisdom the others in this club have given to me.
